

Our Video Products

OPTION ONE

STANDARD VIDEO

- Video of the witness with name, date, and timestamps

OPTION TWO

TEXT TO VIDEO SYNC

- Transcript and video is synced using a software called Timecoder
- Video plays along with the transcript and matches word per word
- Used to create closed captions
- Attorney can create clips to use in trial

Deposition 2 of 3

Q. How are you doing?

A. Great! How are you?

Q. Doing alright, so today we are going to begin this deposition by going over a few ground rules just so we're all on the same page is that okay?

A. Yeah no problem.

OPTION THREE

PICTURE-IN-PICTURE(PIP)

- A video thumbnail of the deponent is overlaid on the shared exhibit
- A clip of the PIP can be used in the trial to show a deponents reaction to an exhibit
